*The Life Changes Trust was established by The National Lottery Community Fund in April 2013 with a ten year endowment of £50 million to support transformational improvement in the quality of life, well-being, empowerment and inclusion of three key groups in Scotland: people living with dementia, unpaid carers of those with dementia and young people with care experience. The Trust concluded its ten year tenure in March 2022. Moniack Mhor is a formal legacy partner of the Life Changes Trust.*
